## all kinds of fun, all the time

Yes, it's true that in the summer we become the center of the horse racing universe, but you'll find so much more to do when vacationing here any time of year. That's what has drawn visitors to Saratoga from around the world for over a century.

## take in a show

The Saratoga Performing Arts Center is summer home to the New York City Ballet and Philadelphia Orchestra, and also hosts the renowned Saratoga Jazz Festival — in addition to a spectacular line-up of the biggest names in music and entertainment.

There are also the theatre, dance and music performances at Skidmore College, folk at Caffè Lena, jazz and club performances, and live music at many area venues.

## the sport of kings

We're home to the country's oldest and most beautiful Thoroughbred race track. Get up early and watch the horses train. Have breakfast at the track. Take in the sights and sounds of the very best this grand sport has to offer. You could also watch a polo match, or go over and see the trotters run. This is horse country in all its glory.

# saratoga county see for yourself

From the scenic Hudson and Mohawk Rivers and Great Sacandaga Lake, to the Southern Adirondack Mountains, 2000 acre Saratoga Spa State Park and beautiful Moreau State Park, you'll find so many things to do outside.

Swim, boat, or go camping. Fish in Saratoga Lake. Take advantage of excellent birding opportunities, nature trails and preserves.

## history comes alive

Saratoga helped shape American history in a big way. You'll experience this when you walk around Saratoga National Historical Park, site of one of the 15 most important battles in world history.

We're also home to ten museums, including the National Museum of Racing and Hall of Fame, the National Museum of Dance, the National Bottle Museum, the New York State Military Museum, Automobile Museum and several local history museums.

A storied past comes alive everywhere you go. In the over 1,000 beautiful buildings on the National Historic Register, the many great old Victorian homes, and the mineral springs that have served the needs of visitors for centuries.

## fun and games

If it's sports you're interested in, we've got plenty to keep you happy. There are 14 golf courses in the area, including one that wins national awards for excellence.

Feeling lucky? You might also enjoy a night at the casino, where you'll also find the trotters racing.

In July, bring the whole family to the marvelous Saratoga County Fair.

## live it up

Whether you're planning a romantic weekend for two, a winter adventure or a summer vacation, you'll find us so very accommodating. Choose from lovely country inns, historic bed and breakfasts, full service resorts, or your favorite chain hotel.

You'll also find so many places to eat, drink and make merry. In our coffee bars and pubs. In the many gourmet restaurants, intimate bistros, family fun spots, and heavenly bakeries.

# plan your own exceptional vacation

## HISTORY AND HERITAGE

American history comes to life when you travel Route 4 from Waterford to Schuylerville, along the Lakes to Locks passage. Discover one of America's most historic transportation routes as you explore sites of the American Revolution and enjoy canal side parks and promenades.

## FOOTHILLS OF THE ADIRONDACKS

Take the road less traveled and explore northern Saratoga County. Here you will find some of the finest snowshoeing, cross country skiing, boating, whitewater rafting, fishing and hiking in the Northeast. Enjoy the beautiful scenery and quaint towns and don't forget your camera!

## MOVIES AND MEMOIRS

A clock stopped — never to run again — in 1885 when President Grant died in Wilton, NY. Visit the cottage where this legendary President spent his last days writing his memoirs. Then have fun scouting out the locations of major motion pictures — such as Seabiscuit, the Horse Whisperer, Billy Bathgate, and Ghost Story.

## FAMILY FUN

Take the kids on the road to enjoy orchards, corn mazes and many working farms while passing through the quaint towns of Galway, Charlton, and Providence. Find nature and wildlife at preserves in Milton, Wilton and Clifton Park.
